WHEREAS, it has been represented to this General Assembly, by the petition of a number of inhabitants of Harford county, that the present mode of electing commissioners for said county has the effect to prevent men of business from canvassing for said office, owing to a laborious and excited canvass which has to be undergone for at least three months beforehand; and whereas, the compensation allowed by law to the commissioners is inadequate to the labour and expense of canvassing for said office throughout said county, Therefore: Preamble

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That from and after the passage of this act Harford county shall be divided into two districts for the purpose of electing commissioners for said county, that the first shall be composed of the districts now known as the first, second and third election districts, which shall elect three commissioners, one to be chosen from each election district, and the second shall be composed of the districts now known as the fourth and fifth election districts, which shall in like manner elect two commissioners, which said commissioners when so elected shall succeed to all the rights, privileges and immunities of the present board of commissioners in said county.
