

members of said Commission shall, before entering upon the discharge of their duties, take an oath before the Clerk of the Circuit Court for Baltimore County that they will fairly and impartially administer the duties of the office.

SECTION 2. *Be it further enacted*, That said Commission shall, when so authorized by an ordinance of the County Commissioners of Baltimore County, make a thorough, accurate and comprehensive topographical survey of that part of Baltimore County adjacent to the City of Baltimore and of such other parts of Baltimore County as may from time to time be designated by said County Commissioners, and from such survey and other reliable data they shall cause an official map to be prepared showing the location of all the streets, the dimension of blocks in feet and inches, streets proposed but not opened, all streams, water courses, the undulations of the ground to be shown by contour lines representing the different elevations in a manner to enable the establishment of grades, location of sewers, etc. And in the preparation of such map they are authorized to use all maps, plats, diagrams, drawings and records of the County Commissioners of Baltimore County or the Roads Engineer of Baltimore County or the County Surveyor of said county where the same is the property of Baltimore County.

SECTION 3. *Be it further enacted*, That no avenues, streets, alleys, roads, or ways in Baltimore County within three miles of the boundary line of Baltimore City shall hereafter be opened, established or condemned, nor shall the dedication of the same be accepted unless the same shall have been approved in writing by the said Street Planning Commission of Baltimore County, or unless the same shall conform to a general plan of streets, avenues and ways which may be adopted for said territory by the County Commissioners of Baltimore County or as any plan so adopted shall be amended.

SECTION 4. *And be it further enacted*, That the Street Planning Commission of Baltimore County may formulate a general plan for the laying out and location of streets, alleys and highways in all that part of Baltimore County lying within three miles of the boundary line of Baltimore City and recommend the same to the County Commissioners of Baltimore County who if they approve the same are authorized to accept and adopt it as the general plan for the location of streets and ways in said territory and said plan when so
