

was made or proceedings were had, and shall be entitled to trial by jury, at the election of either party; provided, such appeal shall be taken within thirty days from the day such determination was made or such proceedings were had; and the judgment rendered thereupon shall be final between the parties thereto.

81AU. If any ditch shall cut across any public road, so as to incommode travel, the managers shall erect good and sufficient bridges, not less than twelve feet wide, over the same, where it crosses the road, and shall keep the same in good repair; and if they refuse or neglect so to do the supervisor or engineer having charge of said road, or in case of a State road, the State roads official having charge of said road, shall erect or repair such bridge and return on account of the expenses thereof, under oath to the County Commissioners, who shall place the same in the hands of the Sheriff of the county, and the said sheriff shall proceed to collect the same for the managers, in the same manner as other county charges are collected, and pay the same to the said County Commissioners for the use of the county, or in case of a State road, to the State Roads Commission. The Drain Commissioners appointed by the County Commissioners to locate, lay off, open, straighten, clean out, repair or extend any ditch, or drain, or to make any assessments for the use and maintenance of any ditch or drain, before proceeding to do so, shall give at least ten days' previous notice of their intention to proceed with the execution of their commission, by notice set up at four public places in the neighborhood of said ditch or drain, and by notice inserted in a newspaper published in the county in which land taxes for the said ditch are situated.

81AV. The County Commissioners shall at their first meeting, after receiving any report or return of any such Drain Commissioners, appoint a day to hear objections to such report or return, and to correct, ratify and confirm, or reject the same; and they shall give at least twenty days' previous notice of the time and place of such hearing in a newspaper published in the county in which the lands taxed for the said ditch are situated, and by written or printed notice mailed to each taxable named in such report or return.

81AW. Partition or line ditches or drains between the adjoining lands of different proprietors, now existing, or which may hereafter be established by mutual consent in any county,
