

WHEREAS, Many of the other States through which said system of old trails road runs have made appropriations of large sums of money to be used under the direction of the said Daughters of the American Revolution in placing its road sign upon said old trails; now, therefore,

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the State Roads Commission be, and it is hereby, authorized to erect upon or alongside of the road known as the "National Old Trails Road," said road beginning on the northwestern boundary of the District of Columbia where said road connects with Wisconsin Avenue in said District, and running thence through the towns of Rockville, in Montgomery County; Frederick, in Frederick County; Hagerstown, in Washington County; Cumberland, in Alleghany County; Oakland, in Garrett County, and thence to the boundary line between the States of Maryland and Pennsylvania, and at intervals of not more than one mile, the "National Old Trails Road Sign" of the Daughters of the American Revolution.

Said road sign shall consist of a substantial iron or other metal tablet, to be painted in the colors red, white and blue, and of such design as shall be submitted by the National Old Trails Road Committee of Maryland, of said Daughters of the American Revolution, and to be mounted upon an iron post, set in cement.

Approved April 9, 1920.

CHAPTER 537.

AN ACT to authorize the United States to install a calibration range in the Potomac River.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the consent of the State of Maryland be, and the same is hereby given, for the installation by the United States of a calibration range in the mouth of the Potomac River along the south bank, the target moorings to be placed at a point bearing 302 degrees thirty minutes true from Smith Point light, distant 9,575 yards, and 154 degrees from Point Lookout light, distant 14,825 yards, which point is to be the center of a rectangle 2,600 yards by 2,000 yards, the firing point to be located at a point bearing north 48 degrees west
