

not exceeding three thousand dollars, to provide funds for that purpose and to provide for the payment of the principal and interest thereon and to provide for an additional tax upon the property connecting with said system," as the same was amended and re-enacted by Chapter 596 of the General Assembly of Maryland, passed at the January Session, 1914, and to re-enact the same with amendment.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 1 of Chapter 332 of the Acts of the General Assembly of Maryland passed at the January Session, 1906, entitled "An Act to authorize and empower the Commissioners of Denton to establish, construct and maintain a sewerage system in the town of Denton, Caroline County, and to issue and to sell its bonds to an amount not exceeding three thousand dollars to provide funds for that purpose, and to provide for an additional tax upon the property connected with said system," as the same was amended and re-enacted by Chapter 596 of the Acts of the General Assembly of Maryland, passed in the January Session, 1914, be and the same is hereby repealed and re-enacted with amendments, so as to read as follows:

SEC. 1. *Be it enacted by the General Assembly of Maryland*, That the Commissioners of Denton be and they are hereby fully authorized and empowered to construct, establish and maintain in working order a sewerage system in the town of Denton for the collection, transmission and disposal of **drainage and sewage** from the houses and other buildings and cess pools, wells, sinks and other receptacles for sewage and drainage in said town, including also, if the said Commissioners of Denton shall at any time so determine, water and other drainage from the streets, lanes, roads and alleys thereof, and that the Commissioners of Denton shall have full power of determining when and where, in what order and under which streets, roads, lanes and alleys the sewers and drains **shall be constructed or laid**, and to make contracts for the construction thereof, except that they shall, during the year 1920, extend the sewers and drains along and under Fifth avenue, Sixth street and Seventh street, from the present **termination of said system** on the north side of Main street, southward to the limits of said town, as provided by its new
