

with the same power to enter upon and into and inspect any premises, buildings or structures within the limits of the County of Baltimore as is hereby given to the said Chief Engineer by Section 1 of this Act.

SEC. 3. *And be it further enacted,* That if as a result of the inspection or inspections by this Act authorized to be made the Chief Engineer of the Fire Department of Baltimore County shall be of the opinion that on or in any public buildings, stores, warehouses or any other structures or premises used for commercial purposes within the limits of the County of Baltimore, any rubbish, debris, waste, inflammable or combustible material found thereupon or therein is not so deposited or arranged as to afford a reasonable safeguard against the danger of fire or from fire, or that the articles, materials, goods, wares and merchandise found on or in said premises, buildings or structures, are so deposited or arranged that the occupants thereof or persons on or in the same would not, because of such disposition and arrangement, be afforded reasonable access to the exits from said premises, buildings or structures in case of fire or that by reason of such disposition or arrangement the members of the Fire Department of the County of Baltimore would be unnecessarily and unreasonably interfered with or obstructed in the exercise of their duties in and about such premises, buildings or structures in the event of fire on or in the same, then it shall be his duty, and he is hereby directed, to immediately make a detailed report, in writing, of such condition so found to the Board of County Commissioners of Baltimore County, and it shall be the duty of said County Commissioners, if in the judgment of said Board such condition is found to exist, to immediately give notice, in writing, to the owner or owners, occupier or occupiers of such premises, buildings or structures whereon or wherein such condition has been found to exist, warning such interested person or persons of the existence of such condition so found, and giving an apt description of the same; and said Board may also order, in writing, that such condition be avoided, abated, corrected or removed within the time and in the manner prescribed in said notice; and if such owner or owners, occupier or occupiers, his, her or their agent or agents consider themselves aggrieved by such order, he, she or they, or if a body corporate, it may, within three days after the receipt of said notice, appeal to said Board of County Com-
