

of said plant and the sale and transmission of electrical energy or current.

SEC. 4. *And be it further enacted*, That the Town Commissioners of Queenstown shall have full power and authority to furnish and supply the citizens, inhabitants and corporations of said town and of the vicinity of the said town within the limits of Queen Anne's County aforesaid in its discretion, with electric power and energy for all purposes; to sell electric power and current and to provide for its transmission to points of consumption in said town or in Queen Anne's County aforesaid beyond the limits of said town; to fix and establish and from time to time change schedules of rates and charges for said electric power and energy; to make from time to time rules and regulations in regard to the collection of said rates, the furnishing and supply or discontinuing of any electric service to the consumer thereof or the use thereof by consumers including all connections made with buildings of consumers; but no service of electric power shall continue to be furnished to any consumer if such consumer shall be in arrears for ten days on account of electric service furnished by said corporation.

SEC. 5. *And be it further enacted*, That the Town Commissioners of Queenstown be and they are hereby authorized to borrow on the faith and credit of said corporation a sum of money not to exceed the sum of seven thousand dollars (\$7,000) and to issue coupon bonds in the name of said corporation for the amount so borrowed, each bond to be issued for the sum of two hundred dollars, and to be signed in the name of said corporation by the three Commissioners thereof, and the seal of said corporation is to be affixed to each bond by said Commissioners; but the coupons for interest may be authenticated by the engraved, lithographed or printed signature of the treasurer of said corporation. Said bonds shall bear interest at the rate of six per centum per annum, payable semi-annually in each and every year, and dated on the first day of their issue. Said bonds shall be numbered consecutively, and Bond No. 1 shall be due and payable July the first, nineteen hundred and twenty, and thereafter one bond shall mature and be payable in each consecutive year from the maturity of Bond No. 1, in order of their consecutive numbers. Said bonds shall have printed on them a distinct refer-
