

forty (140) actual school days in each year; and such high schools shall be entitled to State aid when approved by the State Board of Education as provided for other high schools.

SECTION 7. *And be it further enacted*, That Section 138 of Article 77 of the Annotated Code of Maryland, title "Public Education," sub-title "Source and Distribution of Income," as the same was repealed and re-enacted by Chapter 488 of the Acts of the General Assembly of Maryland of 1918, be and the same is hereby repealed and re-enacted with amendments, so as to read as follows:

138. After all deductions are made from the general state school fund as provided for in Section (133) of this Article, the Comptroller shall apportion on or before the last day of September, the remainder of the general state school fund of each year to the several counties and the City of Baltimore, as follows: Two-thirds shall be apportioned on the basis of the population between the ages of six and fourteen years as given by the Federal Census of 1920 which shall be the basis until 1924, after which time by annual school census as provided in Section 21-B, 25-M and 75 of this Article; and one-third shall be apportioned upon the basis of the aggregate days of school attendance during the preceding school year as certified by the State Superintendent of Schools; provided that the attendance of pupils in a State-aided high school shall not be counted in apportioning the general state school fund.

SECTION 8. *And be it further enacted*, That Section 144 of Article 77 of the Annotated Code of Maryland, title "Public Education," sub-title "Colored Industrial Schools," as the same was repealed and re-enacted by Chapter 506 of the Acts of the General Assembly of Maryland of 1916, be and the same is hereby repealed and re-enacted with amendments, so as to read as follows:

144. The Comptroller, upon receiving the certificate of approval from the State Superintendent of Schools, is hereby authorized and directed to issue his warrant, each year, upon the Treasurer of the State for the sum of fifteen hundred dollars, payable to the order of the treasurer of the county board of education that has inaugurated such a colored industrial school, in equal quarterly instalments, at the time when the general State school fund is distributed, as provided for in this Article. One-half of said appropriation shall be used for
