

gether with such additional information as the said State Chemist may deem advisable, shall be transmitted to the manufacturer or person responsible for placing the commodity on the market, and shall be published in reports or bulletins from time to time.

87. If it appears that any of the provisions of this Act have been violated, the State Chemist shall certify the facts to the proper prosecuting attorney and furnish that officer with a copy of the result of the analysis or other examination of such feeding stuffs duly authenticated by the analysis or other officer making the determination, under the oath of such officer; provided, that if it shall appear from any such examination that any of the provisions of this Act have been violated, the State Chemist shall cause notice to be given to the manufacturer or dealer from whom said sample was taken; any party so notified shall be given an opportunity to be heard in his defense under such rules and regulations as may be prescribed by the State Chemist before the facts shall be certified to the proper prosecuting attorney. In all prosecutions arising under the provisions of this Act, certificates of the analysis of the officer making the examination or analysis, when duly sworn to by such officer, shall be prima facie evidence of the fact or facts therein certified.

88. Any manufacturer, importer, jobber, firm, association, corporation or person who shall sell, offer or expose for sale, or distribute in this State, any commercial feeding stuffs without having attached thereto or printed thereon the analysis and statement as required by the provisions of this Act, or who shall impede, obstruct, hinder or otherwise prevent or attempt to prevent said State Chemist or his authorized agent in the performance of his duty in connection with the provisions of this Article, or who shall sell, offer or expose for sale or distribute in this State any commercial feeding stuffs as defined in Section 80, without complying with the requirements of the provisions of this Act, or who shall sell, offer or expose for sale or distribute in this State any commercial feeding stuffs which contains a smaller per centum of crude protein or crude fat or a larger per centum of crude fiber than is certified to be contained therein, or who shall fail to properly state the specific name of each and every ingredient used in its manufacture, shall be deemed guilty of a violation of the provisions of this Article and upon conviction thereof shall be fined not more
