

on or before the 31st day of May and the 30th day of November in each and every year, which shall be used by the Commissioners of Oxford for the payment of interest and for the redemption of the bonds or notes bearing against said electric plant, herein authorized to be issued. And if at any time the revenues shall be insufficient for conducting and operating said plant until the same shall become self-sustaining, then said Oxford Utilities Commission shall have authority and are hereby empowered to draft upon the Commissioners of Oxford to meet such deficiency, and the said Commissioners of Oxford shall honor and pay the same out of any funds in their hands unapportioned to special purposes; and should said Commissioners of Oxford not have the necessary funds to meet such drafts, then the said Commissioners of Oxford are authorized to borrow upon the faith and credit of the town, or to raise by a special tax, the funds necessary to meet such deficiency.

SECTION 15. That the Commissioners of Oxford shall at the times have the right to examine or to have examined the books and accounts of said Utilities Commission, and have power to remove any member of said Commission against whom charges may be filed and proven, by formal resolution passed by the unanimous vote of the Commissioners of Oxford, provided, however, the members thus removed shall have the right to appeal to the Circuit Court for Talbot County.

SECTION 16. That said Oxford Utilities Commission shall have the right to open streets for electric light poles or conduits without special permit, but notice must be given the Commissioners of Oxford in writing of an intention to make such openings and erect such poles, and the said Utilities Commission is required to have the openings carefully guarded to avoid accident, and to restore and to comply with the requirements of the town as to restoring the road bed or sidewalk to its normal condition.

SECTION 17. That said Utilities Commission shall have full authority to sell to the Commissioners of Oxford and to the inhabitants of Oxford and vicinity the product of said electric plant.

SECTION 18. That this Act shall take effect on the first day of June, 1920.

Approved April 16, 1920.
