

and recommendation of the Adjutant General, after an inspection by him ordered or made of any division of the Naval Militia, that such division so inspected is not up to the proper standard of efficiency or discipline, the Commander-in-Chief may, in his discretion, muster out of the service such division so reported inefficient, and thereupon the commissions of all officers of such division shall be vacated.

49. Any commissioned officer assigned to special duty by the Governor, or by his authority, shall be paid per diem pay for the time actually employed, and his necessary traveling expenses, when such payment is authorized by the Governor. Judge Advocates shall be paid for services in bringing any suits provided for in this Article and for services in actions or proceedings by habeas corpus, certiorari or otherwise, such compensations as shall be approved by the Governor. All staff officers shall be paid per diem for special services ordered by competent authority, with the approval of the Governor. Enlisted men on duty under orders of the Governor, but not at time serving with troops, shall receive per diem pay, their actual traveling expenses and subsistence.

50. Whenever the Maryland National Guard or any portion thereof shall be ordered out for duty, either for State duty or in connection with the troops and forces of the United States, then the organizations or individuals so ordered out and performing service shall receive the pay herein specified for each day actually on duty. When the rate of pay allowed by the United States is less than the amount set forth in this Article, then the difference shall be paid out of the militia funds of the State. The provisions of this Article not to apply when the troops or militia forces are regularly called or drafted into the service of the United States.

Officers, according to rank, shall be entitled to pay at the same rate per diem that officers of like rank receive in the service of the United States including longevity pay on the same basis as officers of the Army. Enlisted men shall be paid the following rates per day: Non-commissioned staff officers, first sergeants and company quartermaster sergeants, two dollars; sergeants, one dollar and seventy-five cents; corporals, cooks and farriers, one dollar and fifty cents; musicians and privates, one dollar and twenty-five cents; enlisted men of the Naval Brigade, one dollar and twenty-five cents, except the chief petty officers, who shall be paid as follows: Chief petty
