

heretofore authorized. "Or the said Commissioners of Aberdeen in their discretion are hereby authorized and empowered, for the purpose of meeting the interest and sinking fund charge on said issue of bonds, and for maintaining, repairing and operating said sewerage system, including overhead expenses and proper depreciation allowances, to make and charge such service rates as it may deem necessary against all properties having a connection with any sewer under their ownership. Said rates shall be uniform throughout the town of Aberdeen, but subject to change from time to time, as necessary."

SEC. 6. *And be it further enacted*, That the Commissioners of Aberdeen, for the purpose of projecting, constructing and establishing a sewerage system, for the collection, transmission and disposal of the house and other sewerage and drainage of the town of Aberdeen, including either as a combined or separate feature of said system, the collection, transmission and disposal of storm and ground water, respectively, are hereby clothed with all powers necessary or proper for such purposes, or either of them, among which shall be the following, that is to say:

1. To make all such preliminary investigation and to do all such preliminary work as should in their judgment precede the actual projection, construction and establishment of such system of sewerage;

2. To construct, establish or acquire such local, district, lateral, intercepting, outfall or other sewers, and all such conduits, drains and piping or other plants, and all such buildings, structures, works, apparatus or agencies, and to lay all such mains and pipes, and to create or use, or create and use, all such instrumentalities and means as they may deem expedient for carrying said system of sewerage so projected and adopted as aforesaid into full effect;

3. To incorporate with said system of sewerage or otherwise utilize for the purpose of this Act, so far as they may deem expedient, any or all existing public sewers or drains, including storm water sewers or drains, in the town of Aberdeen, and any or all of their apparatus, either in their present condition or with such repairs, modifications or changes as said Commissioners may see fit to make, and to condemn, close up, abolish or destroy in their discretion any or all such existing
