

SEC. 3. *And be it further enacted*, That said Road Commissioner shall qualify by taking oath of office before the Clerk of the Circuit Court of Calvert County, that he will faithfully and diligently execute the office of Road Commissioner for Calvert County.

SEC. 4. *And be it further enacted*, That said Road Commissioner shall attend his office at Prince Frederick Town, to be provided by the County Commissioners, on the second Tuesday in each month to receive and audit claims for work done and material furnished during the preceding month and to pay for same, provided the accounts presented shall correspond with the records of said Road Commissioner of time made and material furnished as hereinafter provided.

SEC. 5. *And be it further enacted*, That the said Road Commissioner shall receive the sum of \$1,000 per annum to be paid by the County Commissioners of Calvert County, provided the said Road Commissioner shall and will devote all of his time to the building and repairing of said roads as herein provided.

SEC. 6. *And be it further enacted*, That the said Road Commissioner shall have charge and control over all of the public roads of Calvert County, except the State roads, and which said public roads are to be built and repaired under his supervision and control, unless otherwise provided, in such manner and by such means and methods as may be best suited in his judgment to produce the best results in the most economical manner, and the said Road Commissioner shall have charge of all the bridges in the county, except those on the State road, and whenever any bridges are to be built or repaired at a cost exceeding one hundred (\$100) dollars, it shall be the duty of the said Road Commissioner to advertise the same and let the same to the lowest responsible bidder to be built according to plans and specifications to be furnished by the said Road Commissioner, and the County Commissioners shall levy, upon the written order of the said Road Commissioner at the next annual levy after the receipt of the order, for the use of the contractor or contractors, such sums of money as may be required for the building or repairing of the said bridges as hereinabove stated, but no amount so levied shall be paid to any contractor until the Road Commissioner has accepted his work, and so certified to the County Commissioners, and in
