

standards heretofore adopted by the United States Department of Agriculture are hereby declared to be the standards of purity, quality and strength for such foods and drugs in the State of Maryland, except in the case of ice cream, in which case the standards are declared to be as follows:

(a) Ice cream is a frozen product from cream and other milk substances and sugar, with or without a natural flavoring and containing not less than 8 per cent of milk fat, to which may be added fresh eggs and not exceeding 1 per cent of pure gelatin, gum-tragacanth or vegetable gum, without statement of such fact, and such goods may be called ice cream, provided the required percentage of fat is maintained. But such produce when containing 8 per cent and upward of milk fat shall be labeled, showing the percentage of milk fat; if imitation flavoring materials are used, the label must state the fact.

(b) Fruit ice cream is a frozen product made from cream, sugar and sound, clean, mature fruits, and containing not less than 6 per cent of milk fat, to which may be added the same substances as in case of ice cream under the preceding subsection (a) and subject to the same provisions for labeling.

(c) Nut ice cream is a frozen product made from cream, sugar and sound, non-rancid nuts and contains not less than 6 per cent of milk fat, to which may be added the same substances as in the case of ice cream under the preceding subsection (a) and subject to the same provisions for labeling.
