

SEC. 4. *And be it further enacted*, That the proceeds from the sale of said bonds shall be deposited in equal amounts in the several banks of the county which agree to pay the rate of interest fixed by the County Commissioners for such deposits.

SEC. 5. *And be it further enacted*, That the County Commissioners of St. Mary's County be and they are hereby authorized and directed to levy annually on the taxable property of said county a sum of money sufficient to pay the interest on said bonds and to redeem said bonds as they mature and become payable, and said taxes shall be collected in like manner as other taxes in said county, and when collected shall be applied to the payment of the interest on said bonds and to the redemption of said bonds as they mature and become payable.

SEC. 6. *And be it further enacted*, That the County Commissioners of St. Mary's County, shall, on or before the first Tuesday in June succeeding the passage of this Act, and every second year thereafter, appoint some competent person who shall have a sufficient knowledge of civil engineering and road construction to enable him to accurately make surveys, plats, profiles and specifications for the grading, draining, maintenance, repair and reconstruction of the public roads, bridges or drains of said county; and also to do the necessary engineering work for the building or rebuilding of bridges. He shall have had at least two years' experience in road engineering work, and shall be known as County Road Engineer for St. Mary's County. He shall receive an annual salary of not more than three thousand dollars, payable monthly; and, in addition thereto, a sum, not to exceed four hundred dollars per annum, to cover all actual and necessary expenses incurred by him in the discharge of his official duties hereunder; said expenses to be paid on proper vouchers presented to the County Commissioners. The County Road Engineer shall qualify by subscribing to the oath as required in Article One, Section Six of the Constitution of the State of Maryland, and upon such qualification shall execute in favor of the County Commissioners a corporate bond in the sum of five thousand dollars for the faithful performance of his duties, the cost of said bond to be paid by the County Commissioners out of the County Road Fund. The County Road Engineer shall hold his office for a term of two years or until his successor is ap-
