CHAPTER 479.

AN ACT to authorize and empower the Commissioners of Millington, Kent County, Maryland, to build and construct a water supply system, including drilled wells, receiving reservoir, pumping station, elevated tank and tower, mains, connections and fire hydrants for the town of Millington and to build and construct a sewerage system, including a sewerage disposal plant for the town of Millington; to provide for the issuing of bonds for the purpose of such construction and the levy of taxes, assessments and benefits for the payment of said bonds and the operation, maintenance, regulation and control of said systems and to provide for the right to condemn property.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Commissioners of Millington, Kent County, Maryland, be, and they are hereby authorized, empowered and directed to build and construct a water supply system for the Town of Millington, Kent County, State of Maryland, including drilled wells, receiving reservoir, pumping station, elevated tank and tower, mains, connections and fire hydrants to be erected in said town and to build and construct a sewerage system for the Town of Millington, Kent County, State of Maryland, including a sewerage disposal plant to be erected in said town or in the suburbs thereof; and to run and operate the said water supply system and the said sewerage disposal plant for municipal and commercial purposes and for the purpose of acquiring by purchase or condemnation whatever property or right of ways, and for doing whatever work is necessary therefor. The said Commissioners of Millington are authorized, empowered and directed to borrow money on the faith and credit of said town, not to exceed in the aggregate the sum of fifty-five thousand dollars (\$55,000.00), and to issue bonds therefor to be known as the Millington Water and Sewerage Bonds. Said bonds shall be signed by the President of the Commissioners of Millington with the corporate seal of said Commissioners affixed and shall be registered by the
