CHAP. 28.

*An act for the relief of Richard Beall sheriff of Allegany county.*

Passed Feb. 1, 1838

L Levy authorized.

Be it enacted by the General Assembly of Maryland, That the levy court of Allegany county, be, and they are hereby authorized and empowered, to assess and levy upon the assessable property of said county, such sum as they in their discretion shall deem reasonable and just, as a compensation to Richard Beall, sheriff of said county, for expenses incurred and services performed by him in the apprehension and confinement of George Swearingen, who was executed in said county, in October last.

CHAPTER 29.

*A supplement to the act, entitled, an act for the construction of a Canal through Frederick county.*

Passed Feb. 1, 1838

Preamble.

WHEREAS, It is represented to the General Assembly, that the capital mentioned in the first section of said act, is inadequate to the object contemplated, therefore,

Increase capital.

Section 1. Be it enacted by the General Assembly of Maryland, That the capital mentioned in the first section of the act, to which this is a supplement, shall be increased to two hundred and fifty thousand dollars, to be divided into shares of twenty dollars each, as by said act directed, and that the commissioners named in the said act, or any one or more of them, shall be authorized to re-open books for subscription at any times or places, that may be deemed expedient, to effect subscriptions for said stock.

Authority to enforce payment.

Sec. 2. And be it enacted, That the President and Directors of the Frederick county canal company, are hereby authorized and empowered, by due process of law, in an action of law, to enforce payment of stock, for which subscription money has been obtained.

Water power.

3. And be it enacted, That said President and Directors, shall have power and authority, to appropriate to the use of the Frederick county Canal Company any water power, that said canal may afford or supply, and to acquire and hold in fee, such real and personal estate, as may be convenient, or necessary for that purpose, or if preferred, to sell and dispose of said water power, for the benefit of said company.
