

CHAP. 63.

with, or repugnant to the provisions of this act, so far as the same relates to Talbot county, be and the same are hereby repealed.

CHAPTER 63.

Passed Feb. 10, 1835 *An act to establish the Divisional Line between Frederick and Montgomery Counties.*

Commissioners

Section 1. *Be it enacted by the General Assembly of Maryland,* That to ascertain and establish said divisional line, William Murphy, William Morsell and Elisha Howard, for Frederick county, and John L. Trundle and William Perry, for Montgomery county, be and they are hereby appointed commissioners to run out and establish the line between Frederick and Montgomery counties, and the said commissioners, or a majority of them, shall set up a large stone at the beginning of said line, and at the end of every two miles thereafter, on said line, agreeable to the original division, and when so run and established, shall be the proper divisional line forever hereafter.

Boundary stones

Proceedings directed—oath

Sec. 2. *And be it enacted,* That it shall be the duty of said commissioners, or a majority of them, as soon as they can conveniently, after the passage of this act, meet together and proceed to discharge their duty, first having taken severally, an oath or affirmation that they will respectively, without favour or prejudice, to the best of their skill and judgment, run and establish the divisional line between Frederick and Montgomery counties, as nearly as may be agreeable to the intent and meaning of a resolution of a Convention, convened on the seventeenth day of September, seventeen hundred and seventy six, to divide Frederick county into three counties; and the said commissioners shall appoint and contract with a surveyor, chain carriers, and other assistants, in the performance of their duties.

Plats—return—record

Sec. 3. *And be it enacted,* That the commissioners aforesaid, or a majority of them, after they have carefully run out and marked the said divisional line as aforesaid described, shall cause two plats of the same to be made out, and shall also make out two several certificates, under their hands and seals, specifying the courses, distances, marks and boundaries fixed and made by them to designate the said line; one
