

### Watch Your Money Grow

You can see the amount at any time in our recording safe

We have arranged for a limited number of these safes to be loaned **Free of Charge** to new depositors in our Savings Department opening accounts with \$1.00 or more. We shall be very glad to have yourself, any or every member of your family have one.

Why not start a Savings Account for each of the little folks?

When the safe is filled, or, whenever convenient, bring it to the Bank and we will open it and put the contents to your credit in the Savings Department. As long as it remains there you will receive three and one-half per cent. interest, compounded semi-annually.
