

GAS APPARATUS

OF THE

Maryland Portable Gas Company

OF BALTIMORE.

This Company is now offering a most complete, simple and efficient Gas Machine, adapted in all respects to the wants of Private Dwellings, Schools, Churches, Factories, Foundries, as well as towns and villages.

The apparatus is easily managed by any domestic—is not liable to get out of order, and will furnish a *cheaper, prettier and better* light than can be produced from any other material.

Details will be furnished at the

OFFICE OF THE COMPANY,

202 BALTIMORE STREET,

BALTIMORE.

E. R. SPRAGUE, Treasurer.
