No. 59.

Passed March 15. Resolution relative to the presentation of a Sword to George W. Rogers.

WHEREAS, it appears that a resolution was adopted at December session, eighteen hundred and thirty, authorising the Governor to procure and present to Captain George W. Rogers, of the United States Navy, a sword, as a further evidence of the high sense the Legislature entertains for the services rendered his country; and whereas, it appears that the said George W. Rogers is now dead,—Therefore,

Resolved by the General Assembly of Maryland, That his Excellency the Governor, be requested to present the said sword to Raymond Rogers, the eldest son of the deceased, with an assurance that it is presented to him, in consideration of the high sense which the Legislature of Maryland entertain for the gallantry of his deceased father, as displayed in the brilliant and well fought action during the late war, between the United States sloop of war, Wasp, and his Britannic Majesty's ship Frolic, and on other important occasions.
