RESOLVED, That the governor and council be and they are hereby authorised and required to purchase — thousand rifles, and the accoutrements necessary to the equipment of the same number of riflemen, — of which said rifles, and the necessary accoutrements, shall be by them delivered to the field-officers of each regiment in this state, to be by them distributed to such persons in the several companies of riflemen, attached to the said regiment, as shall by the said field-officers, and the commissioned officers of the respective companies, be adjudged too indigent to purchase at their own expense a rifle and such necessary accoutrements, the expense whereof the treasurer of the western shore is hereby directed to defray out of any unappropriated money in the treasury.

RESOLVED, That the governor and council be and they are authorised and required to purchase, for the use of the different companies of artillerists and engineers which now are, or may hereafter be, legally organized in this state, a sufficient number of cannon of the proper weight and caliber, the expense whereof the treasurer of the western shore is hereby directed to defray out of any unappropriated money in the treasury.
