

VOTES AND PROCEEDINGS, NOVEMBER SESSION, 1808.

Mr. Bowles, from the committee, delivers to the speaker the following report:

THE committee to whom was referred the petition of William Keough report, that they have considered the same, and find, that the petitioner has served as a soldier in the Maryland line during the revolution, as stated in his petition, that he is far advanced in the wane of life, and extremely indigent; your committee believing, that from the services rendered his country, his advanced age and extreme poverty, he is an object worthy of legislative protection; they therefore recommend the following resolution:

RESOLVED, That the treasurer of the western shore pay to William Keough, or his order, late a soldier in the revolutionary war, of the Maryland line, a sum of money annually, in half yearly payments, equal to the half pay of a sergeant.

All which is submitted.

By order,

D. L. JACOB, clk.

Mr. Chapman, from the committee, delivers to the speaker the following report:

THE committee to whom was referred the petition of Robert Halkerstone, of Charles county, report, that they have considered the same, and are satisfied, from the documents attending it, that the petitioner was a lieutenant in the Maryland line of the revolutionary army; that he served in different capacities as a soldier from nearly the commencement of the war till the end thereof, during all which time he conducted himself in a manner highly honourable to himself, and advantageous to his country; that after shedding his blood in the struggle for that liberty which characterises America as the most dignified of nations, he is now truly the war-worn soldier, bereft of almost every comfort, and entirely unable to procure a support from bodily exertions; that he has a wife, and several small children, dependent on him for that relief from their necessities, which, from his wounds and other afflictions, he is prevented from affording; they therefore, satisfied that his unfortunate situation proceeds from his services while engaged in his country's cause, recommend the following resolution:

RESOLVED, That the treasurer of the western shore be and he is hereby directed to pay unto Robert Halkerstone, late a lieutenant in the Maryland line during the revolutionary army, or to his order, a sum of money annually, in quarterly payments, equal to the half pay of a lieutenant, as a further remuneration for those services rendered his country during the American war.

All which is submitted.

R. WELCH, jun. clk.
