Mr. Brice, from the committee, delivers to the speaker the following report:

THE committee to whom was referred the petition of Aquila Usleton, of Chester town, Kent county, praying a law authorising the clerk of the county to record a deed, and make it binding against the heirs of the grantor, which he omitted to record within the time allowed by law, having taken the same into consideration, are of opinion that it would be improper for the legislature to interfere in the case, the chancery court being the proper tribunal for such application, and that the petitioner have leave to withdraw his petition. All which is submitted.

By order,

D. L. JACOB, clk.

Which was read the first and second time by especial order and concurred with.
