

To the Court my fall of Justices of the County of
humble petitions of John Hyson Esq^r of
masse Josephs (with) late of the County of

Sheweth that one Island of the County of
Portion of this Court made with by a
certain tract of land commonly called & known by
name of low point upon which tract of land by
inhabitants of the Island their house & dayly
usual incursions & passages upon of same committed by
means of a load that is made & loaded to of some
not being to any other plantation nor to any landing
nor to any publique burning but wholly to of damage
of the plantation & them to whom of privilege may
be being within of inclosures of the plantation
them concerned. prays order of this Court that if
long continued injuries may fall
that their may not be within
the inclosures any more for of
Reasons above alledged & shall pray

upon of petition of John Hyson Esq^r as aforesaid
this Court doth take it into serious consideration
that for of injuries & passages as in of petition
is forth & that of said load being not
for any publique benefit or interest of the
inhabitants of the Island aforesaid. It is the
order of this Court of inhabitants of the said
Island the way from passing in & through of
plantation & inclosures of aforesaid of
which is said as being a publique load
it is further ordered of for the future there be no
publique load through of land the plantation of
of aforesaid

John Hyson Esq^r
