SEC. 3. *And be it further enacted*, That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public health and safety, and the same being passed upon a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly shall take effect upon the date of its passage.

Approved March 14th, 1922.

CHAPTER 81.

AN ACT to Authorize, empower and require the Commissioners of the town of Cambridge, in Dorchester County, Maryland, to issue interest bearing coupon bonds to the amount of twenty thousand dollars (\$20,000.00), for the purpose raising money to pay for permanent improvements made in the said town by the Commissioners thereof during the year 1921, and to pay for other permanent improvements necessary to be made in the said town, and to levy and collect a tax upon all of the assessable property within the corporate limits of the said town, sufficient to pay the interest on and the principal sum of the said bond, as the same shall mature after their issue.

WHEREAS, during the year 1921, the State Road Commission of Maryland, constructed within the corporate limits of the town of Cambridge, a concrete road fifteen feet wide beginning at the point where the already built state road ended at the said corporate limits on Washington Street and from thence running through Washington Street to Race Street and thence through Race Street, in a southern direction, to the said corporate limits and the end of another built state road, the said state road being located in near the middle of the said streets. And

WHEREAS, on account of the great public use of the said Washington and Race Streets, where the said state road was built, it was a public necessity that the surface of the said
