

bonds shall fall due and become payable on the first day of July, 1947.

SEC. 6. *And be it further enacted*, That the Board of Education of Carroll County shall from time to time, within five years after the passage of this Act, determine the order and succession in which said public school buildings designated in Section 2 of this Act shall be erected and equipped, and shall forthwith notify in writing the said Board of County Commissioners of said determination.

SEC. 7. *And be it further enacted*, That when the said Board of Education shall have notified the said Board of County Commissioners of its desire to avail itself of the provisions of this Act and of the public school building or buildings it proposes to erect and equip, as designated in Section 2 of this Act, and of the amount of money necessary therefor, and when the contract or contracts therefor have been awarded as hereinafter provided, the said Board of County Commissioners shall advertise and sell so many of said bonds as may be necessary to produce the sum of money designated by said Board of Education, not to exceed the several amounts specified in Section 2 of this Act for the respective public school buildings in said Section 2 provided for; and the said Board of County Commissioners shall pay over to the said Board of Education the entire proceeds from the sale of said bonds, less one-half of the amount expended in payment of the cost of engraving, printing, advertising and other outlays of money in connection with the issue of the loan hereby authorized; and the said Board of Education shall account for the same and the expenditure thereof in the same manner as it accounts for other monies passing through its hands.

SEC. 8. *And be it further enacted*, That said Board of Education shall award the contracts for the work of erecting said new public school buildings, designated in Section 2 hereof, and equipping the same with heating plant, and water fixtures, to the lowest bidder therefor, provided that said lowest bid shall be within the amount specified in Section 2 hereof for each of said public school buildings designated in said section, after the said Board of Education shall have advertised for bids therefor, and the said Board of Education shall require the successful bidders or contractors to whom the work is awarded to execute a contract in writing, for the faithful performance of the same, and in the said contract, the said builders or con-
