

or banks as the County Commissioners may designate. Said two-thirds of the balance of the actual proceeds of the sale of any said bonds deposited by the order of the County Commissioners as aforesaid and not payable to the County Board of Education of Baltimore County as aforesaid, shall be used and expended for the purpose of constructing and permanently improving the public roads and highways of Baltimore County and for no other purposes. Nevertheless the proceeds of the sale of any of said bonds not payable to the County Board of Education may be expended by the County Commissioners in the discharge of any sums that may be due the State of Maryland for one-half the cost of the construction of lateral roads in Baltimore County by the State Roads Commission under Chapter 508 of the Acts of the General Assembly of Maryland, passed at the January Session, 1920.

SEC. 5. Such of the proceeds of the sale of said bonds which are to be expended for the construction of new roads or the permanent improvement of old roads in Baltimore County shall be expended in the following manner and in no other manner and for no other purpose:

The annual report or comprehensive plan of road and bridge work of the Roads Engineer of Baltimore County which is required to be submitted by him to the County Commissioners of Baltimore County on or before the first day of December in each year, as provided by Chapter 4 of the Acts of the General Assembly of Maryland, passed at its January Session, 1920, popularly known as the Road Budget, shall contain a plan in writing supplemented by plats if need be, prepared by the Roads Engineer of Baltimore County, showing in detail the proposed expenditure of whatever sums may be available through the sale of any of said bonds for the construction and permanent improvement of the public county roads, naming the roads proposed to be permanently improved or rebuilt, the width and length of the proposed new construction and setting out the general specifications for the proposed work, and said plan shall be so prepared so that every taxpayer of the county may readily see what disposition is proposed to be made of the proceeds of said loan available for the permanent construction and improvement of the public county roads. Said statement showing the proposed expenditure of the proceeds from the sale of any of said bonds available for road work, as above set out, shall be considered part of said budget, report or comprehensive plan of road and bridge work provided for by said
