

of Baltimore County voting at said election declare in favor of the issuance of said bonds, the County Commissioners of Baltimore County shall be authorized and empowered to issue said bonds as and for the purposes provided in this Act; and if a majority of the duly registered voters of Baltimore County voting at said election declare against the issuance of said bonds then the provisions of this Act shall be null and void and none of the said bonds shall be issued.

Approved April 13th, 1922.

CHAPTER 244.

AN ACT to repeal Article 61 of the Code of Public General Laws (Bagby's Edition), title "Manures and Fertilizers," as enacted by Chapter 315 of the Acts of the General Assembly of Maryland of 1918, and to enact in lieu thereof a new Article 61 of the said Code, comprising sixteen sections, numbered 1 to 16, inclusive, providing for the registration, sale, inspection and analyses of commercial fertilizers, phosphates, fertilizer materials and chemicals, in the State of Maryland, and for the dissemination of information regarding the contents of fertilizers subject to the provisions of this Act, the use and compounding of fertilizers, and the administration and enforcement of the provisions of this Act.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That Article 61 of the Code of Public General Laws (Bagby's Edition), title "Manures and Fertilizers," as enacted by Chapter 315 of the Acts of the General Assembly of Maryland of 1918, be and the same is hereby repealed and in lieu thereof a new Article 61 of the said Code, title "Manures and Fertilizers," is hereby enacted; said new Article comprising sixteen sections, numbered from 1 to 16, inclusive, and to read as follows:

Section 1. The term "fertilizer" as used in this Act shall mean any commercial fertilizer, or any article, substance or mixture sold, offered or exposed for sale, for manurial purposes in the State of Maryland of which the selling price shall be more than \$5.00 per ton of two thousand pounds, but shall not include ground gypsum, lime, ground limestone, ground shells, dung of all poultry or dung of domestic animals, in bulk, when sold as such and when not mixed with other fer-
