

sanitary districts to include any towns or thickly settled districts as may, in their judgment seem necessary and proper, the said districts to be as nearly along the natural boundaries for such a district as possible, but in any event not to exceed twelve hundred and eighty acres of land, a plat of each district to be made under the supervision of a competent civil engineer, and kept on file in the office of said sanitary Commission and a copy of each plat to be filed with the County Commissioners of Anne Arundel County; and that each of said districts when laid out be, and the same are, hereby incorporated for the purposes hereinafter set forth, to be known as the sanitary district for the particular town included in said district, or districts.

SEC. 2. *And be it further enacted*, That, for the purpose of carrying out the provisions of this Act, the said sanitary districts shall be under the jurisdiction of a commission of three persons, who shall be resident taxpayers of Anne Arundel County and qualified voters thereof; and one of said Commissioners shall be a resident of the Glen Burnie Sanitary District and one shall be a resident of the Linthicum Sanitary District.

The term of each of the three members shall be three years, or until their successors are appointed and have qualified, except the first Commissioner named in this sub-title, who shall serve for two years, and the second for one year, and the third for three years. The commission named in this Act shall hold office from May 1st, 1922, upon which date the terms of office shall begin, and upon the expiration of the terms of said commission, their successors shall be named as follows: two members of said commission shall be appointed by the County Commissioners of Anne Arundel County and one member shall be appointed by the State Board of Health of Maryland. Any vacancy occurring in the personnel of the commission during the first year shall be filled by the County Commissioners of Anne Arundel County for the unexpired term, and any vacancy occurring after that time shall be filled by the agency making the appointment, and for the unexpired term. The present commission created by this Act shall be: William C. Lemkuhl, James J. Murphy and Fred M. Warnken. The commission shall elect one of its members chairman and shall appoint, discharge at pleasure, and fix the compensation of a secretary-treasurer, whose salary shall not exceed three hundred dollars per annum, a chief engineer, and such engineering, legal, clerical and other force and help as, from
