

Any violation of the provisions of this section shall be a misdemeanor punishable under Section 21 of this Act.

SEC. 10. *And be it further enacted*, That before any plumbing, waterworks or sewer construction is done in any building, or upon any private property, within the sanitary districts, the person, firm or corporation doing the same shall first obtain a permit from said commission and pay therefor such reasonable sum as the commission may prescribe. Such work shall be done under and pursuant to such rules, regulations and requirements as the commission may from time to time formulate, and subject to such inspection as may be deemed necessary. No connection of any kind shall be made with any water main or sewer, constructed or maintained by said commission, without a permit and under such conditions as said commission may authorize. In order to prevent waste of water, said commission shall have the right of entry at reasonable hours to all buildings or premises having any connection with the water supply or sewerage systems under its jurisdiction, and may order and require such changes in all plumbing, waterworks or water or sewer connections as it may deem necessary to eliminate leakage, loss of water or unnecessary use of sewers. No private or semi-public water supply or sewerage installation intended for the use of two or more buildings or premises shall be constructed in said sanitary districts without the person, firm or corporation doing the work having first obtained a permit from the said commission and paid a reasonable charge therefor, and such plant shall then be installed, maintained and operated under such rules and regulations as said commission may require or devise. Any violation of any of the provisions of this section shall be a misdemeanor punishable under Section 21 of this Act.

SEC. 11. *And be it further enacted*, That for every water and sewer connection, as provided under Section 91, said commission shall make such charge as it shall determine to be reasonable, which charge shall be uniform throughout the sanitary districts, subject however to revision annually by the commission. Said charge shall be paid by all property owners at the office of the commission before the actual connection with any pipe or private property is made; or any owner so desiring may so pay one-fourth of said charge, in which case the balance shall be paid in three equal annual installments, such deferred payments to bear interest at the rate of six per cent., and to be payable at the same time, in the same manner and
