

violation of this Act shall be fined \$300.00 for each and every offense, and shall stand committed to the county jail or the Baltimore City Jail until such fine and costs are paid, such imprisonment shall not exceed 90 days for each offense. One-half of the fine shall be paid to the informer causing the arrest and conviction, and the remaining one-half shall be paid to the Comptroller of this State or the State Game Department, to be credited to the State Game Protection Fund.

SEC. 2. *And be it further enacted*, That all laws, both local and general, inconsistent with the provisions of this Act, are hereby repealed to the extent of such inconsistency.

SEC. 3. *And be it further enacted*, That this Act shall take effect June 1, 1922.

Approved April 13th, 1922.

CHAPTER 249.

AN ACT to add two additional sections to Article 22, Code of Public Local Laws, title "Washington County," sub-title "Foxes," to follow Section 151 and to be known as Sections 151A and 151B.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That two additional sections be added to Article 22, Section 151, of the Code of Public Local Laws, title "Washington County," sub-title "Foxes," to follow Section 151 and to be known as Sections 151A and 151B, so as to read as lows:

151A. No person shall trap or attempt to trap or set any steel trap, dead fall or other device on the lands of another without the written consent of the owner, and without, at the time of such trapping or setting of any steel trap, or dead fall or any other device whatever, he has in his possession such written consent and shall exhibit it to anyone demanding to examine it, and providing further, that any person setting or placing a steel trap on the lands of another, shall set or place such steel trap not less than eighteen inches within the entrance of any hole, cave, opening or hollow log, on such property, so as to be inaccessible to any domestic animal, dogs or fowls; and providing further, that any person finding any trap, dead fall or other device used for trapping purposes, as
