

CHAPTER 255.

AN ACT to authorize and direct the County Commissioners of Montgomery County to borrow money for the use of the County Board of Education for said county for providing certain facilities for public school purposes in said county and to issue bonds of said county for the money so borrowed for the par value of sixty thousand dollars.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the County Board of Education of Montgomery County be and they are hereby authorized to expend the sum of twenty thousand dollars (\$20,000) for the purposes of erecting and equipping a school building in the town of Takoma Park in Montgomery County, Maryland, at a cost not to exceed the sum of twenty thousand dollars (\$20,000) which said cost shall include the sight for the location of said building and they are further authorized, directed and empowered to make such necessary repairs and additions to the school buildings located at Sandy Spring, Brookeville, Dickerson, Gaithersburg and Poolesville, and to expend therefor the sum not to exceed twenty-one thousand dollars (\$21,000) and to pay off, discharge and satisfy a mortgage of five thousand dollars (\$5,000) on the Sandy Spring school property and a mortgage of eight thousand dollars (\$8,000) on the Woodside school property and to expend the further sum of one thousand dollars (\$1,000) for the general and necessary repairs required for other school buildings in said county and to expend the further sum of five thousand dollars (\$5,000) on the Rural Standard Schools where application is made therefor by the trustees of any rural school for the improvement of any of said schools and where the patrons through the trustees shall deposit with the school trustees an amount equal to one-half of the amount required for the improvement of said school buildings; that is to say, whenever the patrons of any of the rural schools are desirous of having additional improvements made and are willing to pay for one-half of the cost of same through the trustees, the Board of Education is authorized and directed to pay for one-half of said improvements out of the aforesaid appropriation of five thousand dollars for said purposes, provided, however, that the funds herein enumerated and for the specific purposes herein outlined shall be expended as herein set forth and shall not be diverted for any other purposes and shall be expended by the Board of Education upon the recommendation of the Superintendent of School Property who shall
