

be spent by said State Roads Commission for the repairing and re-surfacing of any road or roads accepted under and by the provisions of this Act, providing that the amount of money paid to said State Roads Commission shall not exceed the sum of sixty thousand dollars, and provided further that upon the acceptance by the State Roads Commission of the sum of three thousand dollars for each mile of stone road accepted as aforesaid shall thereafter be kept and maintained by said Commission as a part of the State's System of Highway and the County Commissioners are relieved of the further maintenance of same.

SEC. 2, *And be it further enacted*, That for the purpose aforesaid the said County Commissioners of said county are hereby authorized, empowered and directed to borrow said sum of money, and to secure said sum of money the said County Commissioners are further authorized and empowered to issue bonds of said county for the sum of sixty thousand dollars, in such denominations and for such period as said County Commissioners may deem expedient, the said bonds to be issued in series maturing as said County Commissioners shall determine, and bear interest not exceeding five per centum per annum from date, all of which bonds shall be exempt from county and municipal taxation in said county, and for the purpose of paying such bonds as they mature, the said County Commissioners are hereby directed to levy in each and every year upon the assessable property of said county, to be collected as other taxes are now or as may be directed by any general or special law for the collection of county taxes, such sum as shall be sufficient to pay the interest on such bonds as may then remain unpaid; and also the principal of such bonds as may mature within the fiscal year for which the levy is made.

SEC. 3. *And be it further enacted*, That the County Commissioners are hereby authorized and empowered to expend any money levied for the fiscal years 1922 and 1923, for road purposes exclusive of the levy for dirt roads, for the purpose of repairing and re-surfacing any additional stone roads to be accepted by the State Roads Commission at the rate of three thousand dollars a mile, this amount being in addition to amount of money being provided for in said bond issue. That upon the acceptance of any stone road or roads by the State Roads Commission under the provisions of this section, the said County Commissioners shall pay to said Commission a
