

for a period of three years, such teacher shall receive a salary of not less than fifty-five dollars (\$55) per month; provided, further, if such teacher holds a second grade certificate of the first class and has taught in the public schools for colored children in the State of Maryland for a period of five years, such teacher shall receive a salary of not less than sixty dollars (\$60) per month.

No teacher regularly employed in the public schools for colored children in the State of Maryland, holding a first grade certificate, shall receive a salary of less than sixty-five dollars (\$65) per month; provided, if such teacher holds a first grade certificate of the first class and has taught in the public schools for colored children in the State of Maryland for a period of three years, such teacher shall receive a salary of not less than seventy dollars (\$70) per month; provided, further, if such teacher holds a first grade certificate of the first class and has taught in the public schools for colored children in the State of Maryland for a period of five years, such teacher shall receive a salary of not less than seventy-five dollars (\$75) per month; and provided, further, if such teacher holds a first grade certificate of the first class and has taught in the public schools for colored children in the State of Maryland for a period of eight years, such teacher shall receive a salary of not less than eighty-five dollars (\$85) per month.

All elementary school teachers and principals in colored schools employed on provisional certificates may be paid five dollars (\$5) per month less than the foregoing schedule requires, and in any county such teachers and principals shall be paid at least five dollars (\$5) per month less than shall be paid in such counties to fully qualified elementary school teachers and principals in colored schools.

The board of county commissioners of each county shall levy sufficient funds to meet the scale of salaries provided for in this section; and the salary of no elementary school teacher or principal regularly employed in the colored schools at the time this section (as re-enacted in 1922) goes into effect shall be diminished by reason of any of its provisions, but every such teacher and principal shall be entitled to any increase in salary that may herein be granted from the time this section (as re-enacted in 1922) goes into effect.

132B. No teacher regularly employed in an approved high school for colored children in the State of Maryland shall
