

student from an educational institution and deprive him of any further bonus under Section 4, but he shall receive the difference between the bonus received under Section 4 and the bonus provided for in Section 3 if that is the larger amount.

SEC. 10. *And be it further enacted,* That each school to which a student has been assigned by the State Board of Education under the provisions of Section 4, shall, upon admission of any such student or of notice that a student already registered is allowed the bonus, advise the State Board of Education of the date of admission of this student to the school during the then present academic year, or during the following academic year, and it shall certify to said Board, monthly on a payroll form to be prescribed by the said Board, the names of all students entitled to the bonus under the provisions of section 4 who are in regular attendance at such institutions the preceding month.

SEC. 11. *And be it further enacted,* That the State Board of Education may establish in co-operation with local educational agencies or with the state boards or officers, special schools to meet the needs of the persons intending to take advantage of the educational opportunities offered in Section 4, or it may designate existing institutions, or utilize, the unused parts of present school plants for this purpose.

SEC. 12. *And be it further enacted,* That whenever any person eligible to receive the aid provided in Section 4 shall be unable to obtain the instruction suited to his capabilities at any of the institutions or agencies referred to in such section and the State Board of Education shall so find, such State Board of Education shall thereupon select some other institution or agency which is qualified to meet his needs and thereupon be entitled to all assistance to which he would have been entitled as hereinfore provided for.

SEC. 13. *And be it further enacted,* That the State Board of Education is authorized until February 1, 1925, upon request of the local educational authorities, based upon a petition of at least fifteen persons as defined in Section 4 to organize, in connection with local or state educational institutions, special vocational or academic or other part-time day or evening classes, to meet special needs of the persons described in section 4 who are not availing themselves of the educational privileges provided for in that section. . .
