

**JAMES MURRAY,
MILLWRIGHT
AND
MACHINIST
NO. 42 YORK,**

Near Light Street,

BALTIMORE.

Having greatly enlarged his Establishment and other facilities for his business, is now much better than formerly prepared to fill orders for Mill and other Castings, Wrought Iron and Brass Work. Being an experienced and Practical Workman, gentlemen will find it to their advantage to call on him, for either Wood or Iron Work, to suit all kinds of Power. All kinds of Mills and Machinery planned and erected by him, warranted to operate well.
