**MRS. PHARNUM'S**

**COUGH CANDY:**

**WONDER AND BLESSING OF THE AGE.**

Coughs, Colds, and Hoarseness cured in from one to twelve hours. Mrs. Pharnum's Cough Candy is composed of twenty-two of the most curative medical herbs in the materia medica, and can be used by persons of any age, from the youngest infant to those most advanced in age, with perfect safety.

This Candy is recommended by physicians to those who use their lungs in talking and singing a great deal; it has a tendency to clear the voice and remove hoarseness. Thousands can testify to the efficacy of this medicinal preparation. Its ingredients are vegetable and perfectly harmless, and it can be used as freely as other simple candies; even infants can take it with perfect safety. It is no patent, quack preparation, which is the cause of the physicians prescribing it so extensively.

Dear Madam,—The duties of my business have exposed me to coughs, asthma and pulmonary affections. I have been deprived of the power of attending to the duties of my profession, and should now have been, had it not been for the benign effects of your **MEDICATED CANDY**. I tried it out a few hours before I began to reap the advantage of its effects. My cough and hoarseness soon left me.

**MY LUNGS ARE HEALED**, and my appetite greatly improved. I therefore have no hesitation in adding my testimony to that of the many who have experienced the benefits of your valuable Cough Candy.

**WM. MERCER.**

BALTIMORE, December, 19, 1852.

I have used Mrs. Pharnum's Cough Candy in my family, and I am pleased to say that it has far exceeded my expectations, and I would recommend it to all, for Coughs and Colds. It is, without exception, the best medicine I have ever tried.
