SHIRTS!

DECIDEDLY SUPERIOR TO ALL OTHERS.

Having perfected a New and Important Improve-
ment (known only to ourselves) in the method of
cutting Shirts by measurement, we are enabled to
give a perfect fit with mathematical accuracy.

Our Improvement consists in making the Shirt to
fit and adapt itself to the person with the most per-
fect ease and comfort, and with an accuracy hereto-
fore unknown.

As we devote our entire personal attention to the
Shirt business exclusively, and being thoroughly
and practically acquainted with the business, we are
prepared to make to order, at short notice, Shirts
and Collars in the latest and most fashionable style,
of the best materials and superior workmanship.
