SEC. 13. *And be it further enacted,* That for the purpose of determining whether the residents of the proposed Town of Berwyn desire to incorporate said Town, there shall be held an election on the second Monday in June, 1924, and Walter F. Mulligan, J. B. Caylor, Frank L. Dyer, William H. McManus, John N. Cunningham and Arthur B. Gahan and Romeo T. Perry are hereby appointed a committee for the purpose of holding such election and declaring the result thereof. Not less than seven (7) days before said election they shall post in three (3) public places within the proposed Town's limits, a notice notifying the residents who are qualified to vote under this Act, as hereinbefore provided, that there will be held on said day at a certain place and between certain hours, an election to determine whether or not said residents desire to incorporate said Town. The said Committee shall provide ballot boxes, booths and ballots, and said ballots shall contain the words "For the Incorporation of the Town of Berwyn," on one line, and "Against the Incorporation of the Town of Berwyn," on another line, with a square opposite each. Said election shall be conducted as nearly as practicable as an election for county officers in Prince George's County, Maryland. Said Committee shall appoint three judges and two clerks, to conduct said election without pay, and upon the closing of said polls shall canvass the said vote and publicly announce the result of said canvass. In the event of a majority of said voters being in favor of the incorporation of the Town of Berwyn, this Town shall become immediately in existence and operation, and thereupon the same committee shall, on the second Monday in July, 1924, hold an election, as hereinbefore provided, for the election of the said Berwyn Citizens' Committee. And in event that at such election the majority of votes cast for and against the "Incorporation of the Town of Berwyn" shall be against the "Incorporation of the Town of Berwyn," then the Committee hereinbefore created may submit the same question in the same manner and under this Act to the qualified voters of said District in June, 1925, and if a majority of the votes cast upon said question shall be "For the Incorporation of the Town of Berwyn," then this Act shall be in full force and effect, but if a majority of the votes cast upon said question shall be "Against the Incorporation of the Town of Berwyn," then this Act shall be void and of no effect.
