

to defray the costs and expenses thereof'' be, and they are hereby, repealed and re-enacted with amendments so as to read as follows:

SEC. 6. *And be it further enacted*, That the cash proceeds from the sale of said bonds issued under this Act shall be appropriated and used for the purpose of paying Talbot County's share of the cost of building Lateral Post and State Aid Roads within the limits of Talbot County under the direction or supervision of the State Roads Commission, and for the purpose of construction, reconstruction, improving, maintaining, laying down or opening of such other roads and necessary bridges incident thereto in Talbot County as may be designated by the Commission hereinafter named and for the acquiring of such rights of way for such construction as may be necessary, and that the proceeds of said bonds may be used independently or in conjunction with any appropriation, appropriations or moneys which may be received from any other source. The use of said proceeds for the payment of the cost of building Lateral Post and State Aid Roads, as herein provided, is hereby made mandatory so long as any part of said funds shall remain in the hands of the Commission, hereinafter named, unappropriated to or unnecessary for other road work in Talbot County laid out, determined upon and approved by said Commission; and all payments or appropriations from said proceeds heretofore made by said Commission on account of such Lateral Post and State Aid Road building costs are hereby made valid and effective.

SEC. 9. *And be it further enacted*, That a Commission of five residents of Talbot County, Maryland, composed of J. Ramsey Speer, Robert R. Walker, J. Dukes Wooters, E. Ney Dodson and Dr. S. Kennedy Wilson, shall constitute "The Road Improvement Commission for Talbot County" to serve without pay, which Commission, except as to Lateral Post and State Aid Roads built under the control or supervision of the State Roads Commission, shall have full charge of the repairing, rebuilding, construction and reconstruction of the said public roads of Talbot County and of all work done under the authority of the provisions of this Act, with full power and authority to advertise for bids, purchase materials, let contracts, appoint such other assistants as may be required and select and determine the roads to be improved and the order and manner in which the same shall be improved, built, rebuilt or constructed and to do all other things which may be deemed necessary to properly perform the duties for which they are hereby appointed; pro-
