

scribed shall deliver to the person upon whom such service is made a copy of such plumbing code and of such rules and regulations, and shall obtain from such person upon whom such service is made a receipt of such copies as aforesaid, or in default of such receipt shall file with the Commissioners an affidavit that such copies have been delivered as aforesaid. Any violation of said code or of any rule or regulation prescribed by the Commissioners as above, upon the part of any person to whom such copies shall have been delivered as aforesaid, shall be punishable by a fine not exceeding one hundred dollars, upon conviction before any justice of the peace residing within Baltimore County.

SEC. 9. *And be it further enacted*, That, for the purpose of paying the interest and providing the sinking fund for the bonds issued by the County Commissioners, as hereinafter provided for the water supply, sewerage and drainage systems to be constructed, purchased or established under this act, the Commissioners are hereby empowered and directed to establish a proper and reasonable charge for connection with said water supply, sewerage and drainage systems so to be constructed, purchased, or established as aforesaid, and to fix an annual assessment on all properties, improved and unimproved, binding upon a street, road, lane, alley or right-of-way in which a water main, sewer or drain has been built. The said annual assessment shall be made upon the front foot basis, and the first payment shall be collectible during the year that the construction is started on the water supply, sewerage, or drainage system, or in which the systems are purchased or acquired. The Commissioners, for the purpose of assessing benefits shall divide all properties fronting upon a street, lane, or alley, in which a water pipe or sanitary sewer is to be laid, into four classes, namely: First, Agricultural; Second, Small Acreage; Third, Industrial or Business, and Fourth, Sub-division property, and the benefit charges shall be fixed and levied in accordance with the above classification, provided, however, that no front foot benefit charge shall be levied against any Agricultural property until such property is connected with said water pipe or sanitary sewer, and provided, further, that when connected, the length of Agricultural property to be assessed shall be limited to 150 feet. The Commissioners shall change the classification of properties, from time to time, as said properties change in the uses to which they are put. The Commissioners shall be empowered and directed to make a
