

the date of issuing or making of same. The said note or notes and the interest thereon shall be paid out of the regular levies to be made in the years 1924, 1925 and 1926.

SEC. 3. *And be it further enacted*, That the work of cleaning out the said Long Marsh Ditch shall be under the joint supervision of a committee, to be known as the Long Marsh Ditch Committee, consisting of Howard E. Wilson, Eldridge Downes, William T. Thompson and the County Road Engineer of Queen Anne's County, representing Queen Anne's County, and Robert Jarrell, Jr. Cole, Schultz and the County Road Engineer of Caroline County, representing Caroline County. The said committee shall have the power, if in its judgment it is deemed expedient, to purchase suitable ditch digging or cleaning machines to be used in cleaning out the said Long Marsh Ditch.

SEC. 4. *And be it further enacted*, That the said Long Marsh Ditch Committee shall begin the work of cleaning out the said Ditch at the head of the mill pond just south of the Bridgetown bridge and from that point to the bridge on the public road leading from Merrick's Corner to Kane's Cross roads, being between the lands of C. B. Thompson and the heirs of the George estate. The said Committee may expend on this work the sum of six thousand (\$6,000) dollars. The remaining two thousand (\$2,000) dollars may be used in cleaning out as much of said Ditch as possible from the last-mentioned bridge to its source.

SEC. 5. *And be it further enacted*, That the members of the Committee created by this Act may select not more than two of their number to supervise the actual work of cleaning out the said Ditch and who shall be paid such reasonable sum for their services as the said Committee shall determine.

SEC. 6. *And be it further enacted*, That the County Treasurer of Queen Anne's County shall pay said County's share of the cost of the work provided for by this Act upon vouchers approved by the Road Engineer of said County and the Treasurer of Caroline County shall pay said County's share of the cost of said work upon vouchers approved by the Road Engineer of said County.

SEC. 7. *And be it further enacted*, That the Supervisors of Assessments for Queen Anne's and Caroline Counties, respectively, shall reappraise and reassess the land that has been materially benefited by the opening and cleaning out of said Long Marsh Ditch as soon as the work is completed.
