

missioners of Delmar. Said charge shall be paid by all property owners at the office of the Commissioners of Delmar before the actual connection with any sewer or private property is made; or any owner so desiring may so pay one-fourth of said charge, in which case the balance shall be paid in three equal annual instalments, such deferred payments to bear interest at the rate of 6 per cent. and to be payable at the same time, in the same manner, and subject to the same penalties and methods of collection, as the front foot benefit charges provided under Section 6. One-half of the revenue, above actual cost, derived from such charges shall be retained by the Commissioners of Delmar and as a contingent fund for repairs, replacements, or any extraordinary expense in the maintenance and operation of the sewerage system under their control. The remaining half shall be applied by the Commisisoners of Delmar to the payment of the bonded debt, as hereinafter provided.

SEC. 10. *And be it further enacted,* That all sums collected by the Commissioners of Delmar for benefits levied against property for sewerage and drainage construction, and half of all sums collected by the Commissioners of Delmar for sewer and drain connections as provided in Section 9, shall be set aside as a separate fund to be known and designated as the "Current Interest and Sinking Fund," from which fund interest shall be paid on all outstanding bonds, and the balance, if any, transferred to the "Sewerage Sinking Fund Account," as provided under Section 4. The Commissioners of Delmar in order to determine the amount necessary to be levied under Section 4, shall deduct the amount of their credit in said "Current Interest and Sinking Fund" from the whole amount necessary to be raised in any one year for interest and sinking fund on outstanding bonds, and the balance remaining to be raised shall be the amount to be collected by taxation as provided under Section 4.

SEC. 11. *And be it further enacted,* That for the purpose of providing funds for maintaining, repairing and operating their sewerage and drainage system, including overhead expenses and property depreciation allowance, said Commissioners of Delmar shall be empowered and directed to make such service rates as it may deem necessary chargeable against all properties having a connection with any sewer under their ownership. Said rates shall be uniform through the town of Delmar, but subject to change from time to time as necessary.
