

known as the North Takoma Bridge, and the approaches thereto; and that the County Commissioners of Montgomery County are authorized to apportion and apply the proceeds of the sale of the one hundred thousand dollar (\$100,000) bond issue, to any one, two or three of the projects mentioned in this Section, in the amounts that they may see fit; and the County Commissioners of Montgomery County are further authorized to fix a rate of interest on this bond issue, except that the rate of interest may not exceed five per centum per annum; and the County Commissioners of Montgomery County are also authorized to determine the date of maturity of all bonds in this bond issue, except that no bond of this bond issue shall run for a period of more than twenty-five (25) years.

SEC. 2. *And be it further enacted*, That the County Commissioners of Montgomery County are authorized, empowered and directed to issue the bonds for the amount to be apportioned and expended for the elimination of the grade crossing on the Brookeville road upon the security of the property of the fifth (5th), eighth (8th), and thirteenth (13th) election districts of Montgomery County and that all the bonds issued for this purpose shall be known as the "Brookeville Road Grade Crossing Elimination Bonds of 1924."

SEC. 3. *And be it further enacted*, That the County Commissioners of Montgomery County are authorized, empowered and directed to issue the bonds to produce the sum apportioned and to be expended for the construction of the secondary overhead crossing described in Section 1 of this Act, and for the reconstruction of the bridge at North Takoma, described in Section 1 of this Act, secured upon the property of the second (2nd) precinct of the thirteenth (13th) election district of Montgomery County (Silver Spring), and of the fourth (4th) precinct of the thirteenth (13th) election district of Montgomery County (Takoma), which bonds shall be known as the "Silver Spring-Takoma Overhead Crossing Bonds of 1924"; provided further, however, that should the Board of County Commissioners of Montgomery County, under the authority granted them by Section 1 of this Act, decide to construct the secondary crossing described in Section 1 of this Act, but not to reconstruct the present overhead bridge at North Takoma, that the bonds necessary to produce the funds for this purpose be secured on the property of the second (2nd) precinct of the thirteenth (13th) election district of Montgomery County (Silver Spring); or should the County Commissioners of
