

WHEREAS, Most of the wheat grown in the States of Maryland, Virginia, Pennsylvania and Delaware contains a limited amount of garlic bulblets, as a result of which the name of No. 2 Red Garlicky has been given to said wheat; and

WHEREAS, Said name of No. 2 Red Garlicky has very adversely affected the value of and sale for said wheat and has resulted in its selling at a material discount under the price obtained for other sub-divisions of wheat; therefore, be it

*Resolved by the General Assembly of Maryland,* That the Senators and Representatives of Maryland in Congress of the United States be and they are hereby requested to do all in their power to change said name of said wheat from No. 2 Red Garlicky to No. 2 Red Eastern, thereby designating the section of the country in which said wheat is grown rather than calling attention to the fact that said wheat contains a limited amount of garlic bulblets.

And that the said Senators and Representatives of Maryland in Congress use their best efforts to obtain such change through proper presentation of same to the Secretary of Agriculture, and in case they fail in securing relief from him then before their respective Houses; and be it further

*Resolved,* That the Secretary of the State of Maryland be and he is hereby requested to immediately transmit, under the Great Seal of this State, a copy of the foregoing resolutions and memorial to each of the Senators and Representatives now in the Congress of the United States from the State of Maryland.
