

at the rate of 1 per cent. a month from and after the time said levy is in default.

SEC. 8. *And be it further enacted*, That said President and Commissioners of Northeast shall provide for each and every property abutting upon a street or right-of-way in which, under this Act, a water main is laid, a water connection which shall be extended as required, from the water main to the property line of the abutting lot, said connection to be constructed by, and at the sole expense of the President and Commissioners of Northeast. When any water main is declared by the said President and Commissioners of Northeast complete and ready for the delivery of water, every abutting property owner, after due notice, shall make connection of all spigots or hydrants and toilets, with said water main within a time prescribed by the said President and Commissioners of Northeast. Where the aforesaid fixtures do not exist or are of a nature which, in the judgment of the President and Commissioners of Northeast, is improper or inadequate, satisfactory equipment shall be installed. All wells and cisterns that are found by the President and Commissioners of Northeast to be polluted or a menace to health shall be abandoned and closed. Any violation of the provisions of this Section shall be a misdemeanor, punishable under Section 16 of this Act.

SEC. 9. *And be it further enacted*, That before any plumbing or water works construction is done in any building, or upon any private property, within the corporate limits of the town of Northeast, the person, firm or corporation doing the same shall first obtain a permit from said President and Commissioners of Northeast and pay therefor such reasonable sum as the President and Commissioners of Northeast may prescribe. Such work shall be done under and pursuant to such rules, regulations and requirements as the President and Commissioners of Northeast may, from time to time, formulate, and subject to such inspection as may be deemed necessary. No connection of any kind shall be made with any water main, constructed or maintained by said President and Commissioners of Northeast, without a permit and under such conditions as said President and Commissioners of Northeast may authorize. Said President and Commissioners of Northeast shall have the right of entry at reasonable hours to all buildings and premises having any connection with the water supply system under their jurisdiction, and may order and require such changes in all water supply connections as they may deem necessary to
