

on the assessable basis of said county as may be necessary to pay the interest on such of said bonds as may be outstanding from time to time, and to redeem said bonds as they become due and payable.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That whenever the Board of Education of Prince George's County shall think it advisable to build and equip any or all of the school houses or the additions to the school houses at the hereinafter named locations, or to purchase sites therefor, they may by resolution request the County Commissioners of said county to issue bonds of said county to pay for the same, and if the County Commissioners of said county concur in the advisability of issuing such bonds for the purposes indicated in such resolution, they may by their resolution order that the same shall be issued as hereinafter provided, but the total amount of bonds issued hereunder shall not exceed the sum of three hundred and thirty-five thousand dollars (\$335,000.00), and the proceeds thereof shall be spent in accordance with the provisions hereof.

SEC. 2. *And be it further enacted,* That when the Board of Education of Prince George's County shall have received from the County Commissioners their resolution as provided in Section 1, hereof, and not before, the said Board of Education of Prince George's County shall be authorized to borrow, on endorsement of the County Commissioners of Prince George's County, who are hereby directed to endorse such bonds on the faith and credit of said county, the following amounts or any of them or all of them if the same are named in the original resolution of the said Board of Education and in the order of the said County Commissioners passed in pursuance of the above:

\$10,000.00 or so much thereof as may be necessary for the construction and equipment of a public school building at Beltsville, including the purchase of a site if necessary, or for an addition to the existing school building.

\$125,000.00 or so much thereof as may be necessary for the construction and equipment of an addition to the Hyattsville High School building and for alteration to the existing building.

\$75,000.00 or so much thereof as may be necessary for the construction and equipment of a public school building at or
