

SEC. 4. (a) *And be it further enacted*, That said Chevy Chase Citizens' Committee of Section 4 as herein defined is empowered, with the approval of the Board of County Commissioners, and subject to the conditions hereinafter set forth, to build, construct, rebuild or reconstruct any existing or hereafter dedicated street, road or lane or any county road, street or lane which has been or may be acquired and opened for public use, and to lay sidewalks and curbs on any of such streets, roads or lanes; and in furtherance of the powers so granted to grade, pave, macadamize or otherwise to improve or change the existing type of such streets, roads or lanes.

(b) Whenever the said Chevy Chase Citizens' Committee of Section 4 shall determine that any street, road or lane shall be built, constructed, rebuilt or reconstructed as authorized in the preceding paragraph (a), said Committee shall prepare a list or statement setting forth specifically the street, road or lane to be so improved and the bounds of such improvements, the general type thereof, and the estimated cost thereof, and shall call a special meeting of the owners of property abutting on such improvement and against whose property assessments for such improvement would be levied hereunder, such meeting to be held after giving at least ten days' notice thereof to each of such property owners by depositing said notice which shall incorporate the text of the list or statement aforesaid in the United States Postoffice addressed to such owner's last known address. At such meeting the making of such proposed improvement and the levy of such assessment shall be submitted to a vote of such owners, and such improvement shall be undertaken only upon a ratification of such proposition by a majority vote of the owners present and voting at such meeting. If the proposition submitted by the Citizens' Committee is so ratified, the proposed improvements shall be made unless a protest signed by two-thirds of the owners of the property abutting on said proposed improvement and against whose property assessments for such improvement would be levied hereunder shall be filed with the Citizens' Committee within ten days after such meeting, in which case such improvement shall be abandoned and shall not be again proposed by the Citizens' Committee during a term of three months, and if two-thirds of the property owners on any such street, road or lane shall petition that such street, road or lane shall be built, rebuilt, constructed or reconstructed, the said Committee shall thereafter determine that said street, road or lane shall be
