

the right to the use of the east gable wall of the house on the lot described in said ded as therein set forth and reserved.

And beginning for the second thereof at a point where the fourth or last course of the lot hereinafter described is intersected by the third course of the lot, which by deed dated March 26th, 1912, and recorded in Liber S. C. L. No. 2727, folio 163 &c., was granted and conveyed by Samuel Siegael, et al, to Morris Abramovitz, et al, which place of beginning is at the distance of sixty-eight feet, one inch, more or less, southerly from the south side of Baltimore St., and running thence westerly, parallel with Baltimore Street, and along with and binding on the third course of the lot hereinabove last mentioned, nineteen feet, three inches, more or less, to the end thereof and to a point distant two feet, nine inches easterly from the east side of the east gable and wall of the house there erected; thence southerly, parallel with said wall and along with and binding on the fourth course of said last hereinabove mentioned lot, forty-eight feet, five inches to the end thereof to an alley there laid out communicating with Broadway; thence easterly, binding on said alley, nineteen feet, three inches, more or less, to the lot hereinbefore in this deed first described; and thence northerly, along with and binding on the fourth or last course of the said lot to the place of beginning.

2nd. To the grant and deed executed by Isaac Robinson to the Shomre Mishmereth Hakodesh Anshe Wolin Congregation of Baltimore City, said deed being dated August 20th, 1917, and recorded among the Land Records of Baltimore City in Liber S. C. L. No. 3150, folio 300 &c., conveying certain lots of ground situate on the west side of Aisquith Street and the east side of Forrest Street and more particularly described as follows:

Beginning for the first thereof on the west side of Aisquith St. at the distance of one hundred and sixty-eight feet, three inches northerly from the intersection formed by the north side of Comet St. with the west side of Aisquith St., which place of beginning is designed to be at the southeast corner of the house erected on the lot now being described; and running thence northerly binding on the west side of Aisquith St. twenty feet to the northeast corner of said house and to the south side of an alley three feet wide; thence westerly along the north end wall of said house and along a division fence in all one hundred and twelve feet, nine inches until it intersects the second line of the ground assigned by Thmoas J. Irving to Charles M. Myer (November 8, 1864, Liber A. M. 2631, folio 434) thence running with and binding on part said line southerly . . . and upon the wall of the house
